# November

## Berkeley Boba Store Rankings & Why

### Rankings

### Why?

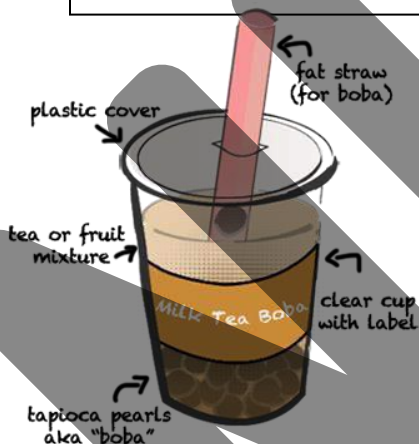

#1 U-Cha	U-Cha serves quality fresh (and even warm) boba with every drink
#2 Happy Lemon	Interested in Salted Cheese pumps? Here's to enlighten your sweet mouth
#3 ShareTea	Ah yes, the most convenient one-stop shop for a diverse option of milk tea
#4 85° Bakery Cafe	Their Sea Salt drinks are out of this world, so are some of their other drinks to experiment with
#5 Tea Press	Drinks are carefully made with joy by Elaine (owner) who cares for her customers and will try to remember your name the next time you come
#6 Asha Tea House	Very tranquil and efficient in the highest grade of organic matcha flavoring to your boba drinks, but lacks in sweet variety (it's mainly matcha)

### Notable Boba Stores

Plentea – Serves your drinks and you can keep a mason jar to return and order drinks at a discounted price.

UCafe & Boba Ninja – Opens late and near most to where most undergraduates live. Drinks are good, boba is alright.

Purple Kow – Your average boba store with a ton of choices to choose from. Qualitative flavor is a bit off.

**\*Disclaimer\*** this ranking is based on a very small sample size of opinions, everybody's got their own preference @}-;--- ← It's a rose! ☺
